Rusty Robbins asked everyone to get their money in for the September tournament on Sandlin/Cypress. Reservations need to be finalized.

Gabe Romo moved us forward with more exciting plans with The Colony Parks and Rec. The prior planned event to paint the dock got cancelled to a later date. Gabe will get back to us on that. Our bass club signs look great. -The Pirate Event in The Colony may have an invitation for us to attend. It is the Sunday after our October tournament.

-The Colony's Kid Fish event will be held the 22nd or the 29th of September. It will be an open tournament for all children in The Colony and surrounding communities, and our bass club will run the event with Parks & Recreation.

Lewisville Open-Start getting sponsors and think about how you can help out at the tournament. Discussion about raising the entry fee to \$100. Big Bass fee will automatically be included in the entry fee and not be an option. It will be 5 fish per boat again. Entry fee to the park will be free for all contestants. Stickers or receipt will be provided for the contestants dashboard so they don't get ticketed. Live well check, ribbon for flight departure and return and the sticker for the dashboard of vehicle will all be done at the front gate entrance. The late fee will be eliminated. Colored ribbons will be used to identify departure and return for weigh in. Every fifteen minutes might be the time differential between flights and arrivals. Sounds like an airport.

Due to liabilities, we will use the word “donators” instead of “sponsors”.

Due to a conflict with the pavilion, our event will be held on the event stage.

Wow!!!!

Jobs are as follows: Park front gate entrance-2 people, sign in and collection of entry fees-2, sending off of boats-1, measuring and weighing in station-2, score keeping-2, score board-2, floaters-2, Master of Ceremony(MC)-1

Two different flyers were passed around for the membership to offer any suggestions.

Lynn asked for a motion to accept the minutes and the financial report, on condition that Rusty provide corrections to the inconsistency between newsletter and his financial report. Thanks to Milton. He was the only one to catch it.

Rusty said he would not be treasurer next year and would be will to help anyone that would like to take over. Lynn Schmidt said he would also like to step aside for someone else and it was suggested that he consider the treasurer position, due to his accounting profession.

Mike Howes was asked what the minimum order was on our club shirts. The first time it was 25. The second time it was 40. Mike suggested that we try to go local. Gabe Romo said he would look into that.

***T.C.B.C. August Tour.** - Discussion was made about keeping the fish and depositing them in one of the ponds in The Colony. Mike Howes said a game warden would find it difficult to enforce. However, according to our by laws, Lynn said we can't do anything that puts us in violation with rules and regs. of T.P.&W. However, Mike did say that he believed it was legal to transport fish from Lake Lewisville to a private tank. Mike will check with T.P. & W. to see if it is possible for us to move the fish and what it will take.*
