

T.C.B.C. July Meeting Minutes-2009

7:07 President Lynn Schmidt called the meeting to order. Lynn passed around a copy of the June minutes and the financial report.

Lynn apologized for not having the awards for the Lake Grapevine tournament.

1st place – Yarik and Steve L. with 12.60 LBS.

2nd place – Gabe and Mike R. with 8.06 LBS.

3rd place – Glen and Maryann with 8.05 LBS.

Program Director Gabe Romo displayed the “Park Adoption” sign for Stewarts Creek. Gabe played a movie about keeping fish alive in a live well and what to do when your fish has a bladder problem.

For this years Christmas party, Gabe presented to the club the choice of having the year end banquet at “Dave & Busters.” The membership discussed costs, food, space, etc. and a motion was made to go ahead with this location. Motion passed. All you can eat event. By making the decision this night, and not waiting for another meeting would save the club substantially for an early reservation.

Jim Pickett said that due to high crime around boats, he would volunteer his Lake Fork residence for parking club boats.

Lynn Schmidt mentioned that the newspaper said “The Colony Bass Club” is putting on a “Kid Fish” for the city of “The Colony”. I guess we have to do it now that it is in the paper.

Our club is looking into stocking the Boy Scout pond with Largemouth Bass.

Gabe did the raffle.
